

MUNICIPALITY OF MIDDLESEX CENTRE

Water & Wastewater Seasonal Maintenance Operator – 1 Contract Position (4 Months)

Middlesex Centre is a lower-tier municipality located within the geography of Middlesex County and has a population of approximately 16,000 over an area of 587.22 sq. kilometres. It was formed on January 1, 1998 with the amalgamation of the former Townships of Delaware, Lobo, and London. While predominantly a rural municipality, Middlesex Centre enjoys both urban and rural amenities. With a steady growth rate projected in the next 20 years, Middlesex Centre is a growing municipality ready to welcome both residents and businesses to a sustainable and livable community.

The Municipality is seeking qualified individuals to join our Public Works and Engineering Department, Waterworks division.

Water & Wastewater Maintenance Operator

Position Summary

Reporting to the Water & Wastewater Operations Supervisor, this employee is primarily responsible for assisting in the overall day-to-day operations, as well as maintenance and compliance of the Municipality's water and wastewater systems. The incumbent will work in a team environment alongside other operators and contractors to ensure proper operation of the Municipality's water and wastewater systems while following all applicable regulations, legislation and laws. Along with being responsible for assisting in day to day operations, the incumbent may be responsible for responding to after hours calls and alarms associated with the Municipality's water and wastewater systems.

Preferred Qualifications

- Possess a Grade 12 education.
- Shall possess the following license: an OIT Water Treatment Operator Certificate of Competency (or higher), OIT Water Distribution and Supply Operator Certificate of Competency (or higher), OIT Wastewater Treatment Operator Certificate (or higher), OIT Wastewater Collection Operator Certificate (or higher).
- Class "G" driver license valid in the Province of Ontario with a clean abstract.
- Computer literacy utilizing the Microsoft Office Suite.
- Working knowledge of the Occupational Health & Safety Act.
- Able to work independently and with other staff.
- Able to gain entry to confined spaces and able to perform role as top-person in confined spaces.

Salary range for 2017 is \$17.95 to \$21.01 per hour with a 40 hour work week, on a rotating schedule, which will include work on weekends and holidays. This position may also require the individual to be on call.

To apply for these positions, please submit a resume outlining qualifications and experience by 4:00pm on Friday June 30, 2017 to:
