What can I expect at the Public Meeting?

The public meeting is an opportunity for members of the public to learn more about the proposed development. Attendees have the opportunity to hear a brief presentation about the development, ask questions, and/or make statements either in favour of, or in opposition to the development.

The public meeting will take place at a Council meeting and the mayor will keep the meeting in order and allow the applicant (or their development team), the public, and Council to speak and ask questions.

What is being proposed through the applications?

The purpose and effect of the zoning by-law amendment application is to permit two single-detached dwellings on a rural residential property for a period not to exceed three years while a new residence is being constructed on the land. Two residential accessory buildings would also be temporarily located in the front yard of the new single-detached dwelling. The existing residence and two accessory buildings would be removed from the land upon the expiration of the three year period or the occupancy of the new single-detached dwelling; whichever occurs first.
