What can I expect at the Public Meeting?

The public meeting is an opportunity for members of the public to learn more about the proposed development. Attendees have the opportunity to hear a brief presentation about the development, ask questions, and/or make statements either in favour of, or in opposition to the development.

The public meeting will take place at a Council meeting and the mayor will keep the meeting in order and allow the applicant (or their development team), the public, and Council to speak and ask questions.

What is being proposed through the applications?

The purpose and effect of the consent application is to sever a surplus farm residence on a lot with a frontage of approximately 92.2 metres (302.5 feet) along Fourteen Mile Road and an area of approximately 1.65 hectares (4.07 ac) from a farm holding with a lot area of approximately 21.35 hectares (52.75 ac). The retained parcel is proposed to be 19.7 hectares (48.7 acres) with a lot frontage of 213.4 metres (700.1 feet)

The purpose and effect of the zoning by-law amendment is to rezone the severed lot of Consent B-25/18 from Agricultural (A1) to Surplus Residence (SR) in order to recognize its residential use and prohibit livestock. The application also seeks to rezone the retained lot of Consent application B-25/18 from Agricultural (A1) to the Agricultural – No Residence (A3) zone in order to prohibit new dwellings from being constructed on the land.
