

MUNICIPALITY OF MIDDLESEX CENTRE

FINANCIAL STATEMENTS

DECEMBER 31, 2014

INDEPENDENT AUDITOR'S REPORT

**To the Members of Council, Inhabitants and Ratepayers
of the Municipality of Middlesex Centre**

I have audited the accompanying financial statements of Municipality of Middlesex Centre, which comprise the statement of financial position as at December 31, 2014 and the statements of operations and accumulated surplus, cash flows and changes in net financial assets (liabilities) for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted audit standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements present fairly, in all material respects, the financial position of the Municipality of Middlesex Centre as at December 31, 2014 and its financial performance and its changes in cash flows and net financial assets (liabilities) for the year then ended in accordance with Canadian public sector accounting standards.

MUNICIPALITY OF MIDDLESEX CENTRE
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2014

The Municipality of Middlesex Centre is a lower-tier municipality in the Province of Ontario, Canada. It conducts its operations guided by the provisions of provincial statutes such as the Municipal Act, Municipal Affairs Act and related legislation.

1. Significant Accounting Policies

The financial statements of the Corporation of the Municipality of Middlesex Centre ("the Municipality") are the representation of management prepared in accordance with Canadian public sector accounting standards.

The focus of these financial statements is on the financial position of the Municipality and changes thereto. The Statement of Financial Position reports financial assets and liabilities. Financial assets are available to provide resources to discharge existing liabilities or finance future operations. Net financial assets represents the financial position of the Municipality and is the difference between financial assets and liabilities. This information explains the Municipality's overall future revenue requirements and its ability to finance activities and meet it's obligations.

Significant aspects of the accounting policies adopted by the Municipality are as follows:

(a) Reporting Entity

These financial statements reflect the financial assets, liabilities, operating revenues and expenditures and accumulated surpluses/deficits and changes in investment in tangible capital assets of the Municipality of Middlesex Centre and all committees of Council.

All interfund assets and liabilities and revenues and expenditures have been eliminated.

There are no local boards, joint local boards, municipal enterprises and utilities.

(b) Accrual Accounting

The accrual basis of accounting recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

(c) Trust Funds

Trust funds and their related operations administered by the Municipality are not reported on these financial statements, but are reported separately on the Trust Fund Financial Statements.

1. Significant Accounting Policies continued

(d) Non-Financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenditures, provides the Change in Net Financial Assets (Liabilities) for the year.

(e) Land Held for Resale

Land held for resale is recorded at the lower of cost and net realizable value. Cost includes amounts for land acquisition and improvements to prepare the land for servicing.

(f) Financial Instruments

Financial instruments of the Municipality consist mainly of cash, accounts and taxes receivable. The carrying values of these financial assets approximate their fair values unless otherwise disclosed.

(g)(i) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The costs, less residual value, of the tangible capital assets are amortized on a straight-line basis over their estimated useful lives as follows:

Buildings and fixtures	10 to 50 years
Vehicles	5 to 10 years
Machinery and equipment	10 years
Water and waste	
Underground networks	50 to 100 years
Wastewater facilities	50 to 75 years
Water utility facilities	50 to 75 years
Water utility infrastructure	50 to 75 years
Transportation	
Roads	10 to 50 years
Bridges and culverts	25 to 75 years

Amortization is charged for a half year in the year of acquisition and in the year of disposal.

The Municipality has a capitalization threshold of \$10,000 on all capital assets excluding land, which is always capitalized, so that individual assets of lesser value are expensed unless they are pooled because collectively they have a significant value. The capitalization threshold for pooled assets is \$25,000.

1. Significant Accounting Policies continued

(g)(ii) Leases

Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expense as incurred.

(iii) Inventories

Inventories held for consumption are recorded at the lower of cost or replacement cost.

(iv) Contributions of Tangible Capital Assets

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt. The fair value is also recorded as contributed revenue.

(h) Temporary Investments

Temporary investments are recorded at cost. Market value approximates cost.

(i) Deferred Revenue

Grants, contributions and other amounts are received from third parties pursuant to legislation, regulation or agreement and may only be used in the conduct of certain programs, in the completion of specific work, or for the purchase of tangible capital assets. In addition, certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the period when the related expenses are incurred, services performed, or the tangible capital assets are acquired.

(j) Revenue Recognition

Government grants and transfers are recognized in the financial statements as revenues in the period in which events giving rise to the transfer occur, providing the transfers are authorized, and eligibility criteria have been met, and reasonable estimates of the amounts can be made.

(k) Government Transfers

Government transfers are recognized in the financial statements as revenues in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

MUNICIPALITY OF MIDDLESEX CENTRE
NOTES TO THE FINANCIAL STATEMENTS

1. Significant Accounting Policies continued

(l) Accounting for County and School Board Transactions

The Municipality is required to bill, collect and remit provincial education and upper tier taxation in respect of residential and other properties on behalf of the school boards and upper tier. The Municipality has no jurisdiction or control over the school board or upper tier's operations or their tax rate. The taxation, other revenues, expenditures, assets and liabilities with respect to the operations of the school boards, and the County of Middlesex are not reflected in these financial statements.

(m) Measurement Uncertainty

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

2. Tax Revenues

Property tax billings are prepared by the Municipality based on an assessment roll prepared by the Ontario Property Assessment Corporation. All assessed property values in the Municipality were reviewed and new values established based on a common valuation date which was used by the the Municipality in computing the 2014 property tax bills. Property tax revenue and tax receivables are subject to appeals which may not have been heard yet. Any supplementary billing adjustments made necessary by the determination of such appeals will be recognized in the fiscal year they are determined and the effect shared with the County of Middlesex and the appropriate school boards.

3. Trust Funds

Trust funds administered by the Municipality amounting to \$46,006 (2013 - \$42,290) have not been included in the these financial statements.

4 Operations of School Boards and the County of Middlesex

Further too note 1(a), the taxation revenues of the school boards and County of Middlesex are comprised of the following:

	<u>School Boards</u>	<u>County</u>
Taxation and user charges	\$ <u>7,147,430</u>	\$ <u>9,120,472</u>
Requisitions	\$ <u>7,147,430</u>	\$ <u>9,120,472</u>

MUNICIPALITY OF MIDDLESEX CENTRE
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2014

5. Investments

As at December 31, 2014, the Municipality did not hold any short-term investments.

6. Pension Agreements

The Municipality makes contributions to the Ontario Municipal Employees Retirement Fund (OMERS), which is a multi-employer plan, on behalf of members of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of services and rates of pay.

The amount contributed to OMERS for 2014 was \$295,695 (2013 - \$280,138) for current service and is included as an expenditure on the Statement of Operations.

7. Deferred Revenue - Obligatory Reserve Funds

A requirement of the Canadian public sector accounting standards is that obligatory reserve funds be reported as deferred revenue. This requirement is in place as provincial legislation restricts how these funds may be used and under certain circumstances these funds may possibly be refunded. The balances in the obligatory reserve funds of the Municipality are summarized as follows:

	<u>2014</u>	<u>2013</u>
Parkland	\$ 149,498	\$ 258,365
Federal Gas Tax	693,411	1,472,909

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2014

12. Budget Figures

The Municipality's Council completes separate budget reviews for its operating and capital budgets each year. The approved operating budget for 2014 is reflected on the Statement of Operations.

13. Commitments

(i) On July 13, 1998, The Corporation of the City of London received a Notice of Transfer for the Lake Huron Primary Water System (the System). The final transfer order was effective September 15, 2000. Under the transfer order the works, properties and all assets, liabilities, rights and obligations of the system are conveyed, assigned and transferred to the City of London as Trustee. The Municipality is a member of the Lake Huron Water Supply System and represents approximately 1.29% of the total System. This percentage is based on the annual flows of water supplied during 2014. As long as the municipality is serviced by the System, it has a beneficial ownership interest in the System. The System is governed by a joint board of management of which one of the eleven representatives is from the Municipality. As at December 31, 2014, the Municipality's share of the System's accumulated surplus is \$2,082,556 which is not reflected in the accompanying financial statements.

(ii) The Municipality, as one of four municipalities, entered into a five year agreement, commencing in 2009, with the Ontario Provincial Police to provide police services under Section 10 of the Police Services Act. The total contract for 2013 was \$4,045,716 of which the Municipality's share is 48.15% or \$1,946,491. The Municipality was the designated municipality to administer and monitor this contract. As of December 15, 2013, the Municipality now contracts directly with the Ontario Provincial Police for only the services provided to the Municipality. The contract price for 2014 was \$2,025,544.

14. Workplace Safety and Insurance Act

The Municipality has transferred from Schedule 2 to Schedule 1 classification under the Workplace Safety and Insurance Act effective January 1, 2013. The Municipality received its estimate of future benefit costs and administrative loading for the year ending December 31, 2014 under its former Schedule 2 classification from the Workplace Safety and Insurance Board of \$2,226,249. This amount has not been accrued in the accompanying financial statements.

15. Public Sector Salary Disclosure

There was two employees paid a salary, as defined in the Public Sector Disclosure Act, 1996 of \$100,000 or more.

16. Contaminated Sites

The Canadian public sector accounting standard 3510 requires municipalities to evaluate sites owned by the municipality for potential contamination. This standard requires the Municipality to disclose the liability, if any, related to remediation of such sites. The Municipality is currently evaluating the effect, if any, of this standard on their financial statements.

17. Segmented Information

Segmented information is presented on Schedule 2. The Municipality is a diversified municipality and provides a wide range of services to its citizens including fire, police, through a contracted service described in note 11, transportation, water, wastewater and waste disposal and community services, including recreation and planning. The general government segment includes such functions as finance, council and administrative services.
