

ARENA ADVERTISING

at the **ILDERTON ARENA & KOMOKA ARENAS** for 2023

Arena advertising is a great way to get your business noticed! Each year, thousands of people visit our rinks, so your ads will be seen by skaters and spectators of skating clubs and minor hockey associations, members of the YMCA and Komoka Library, and anyone taking part in public skating or private rentals.

We offer advertising opportunities at all three of our municipal rinks.
