Project Notice: Kilworth Bridge Rehabilitation

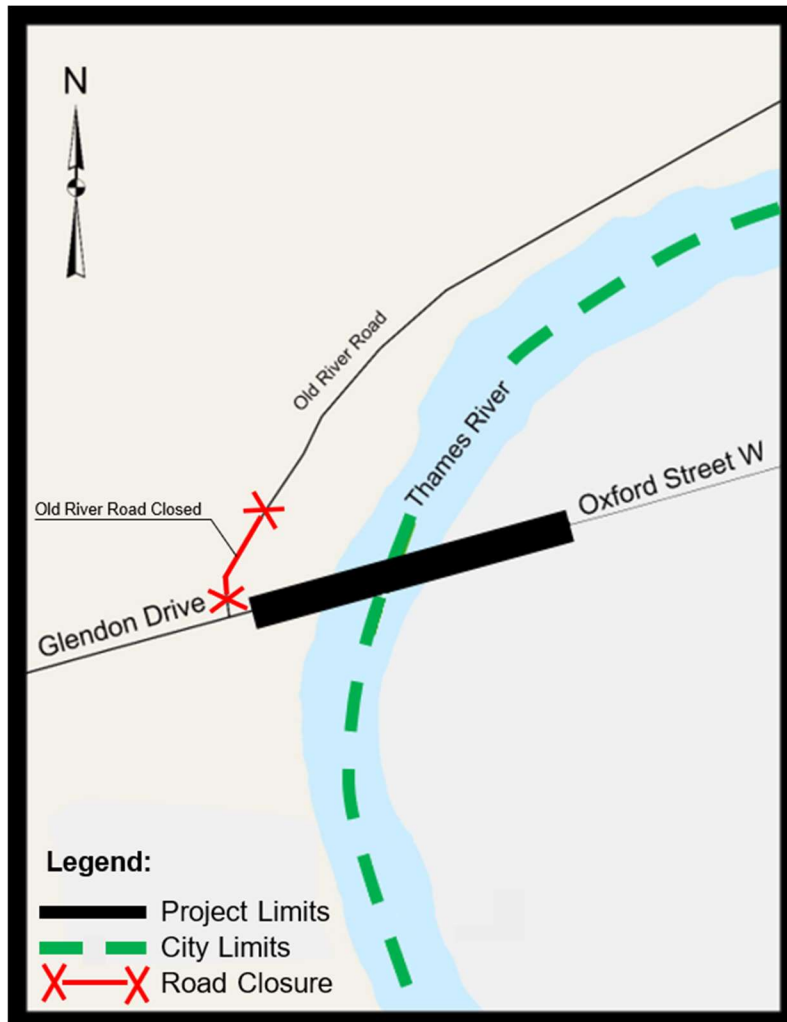

Date: February 2, 2023

To: Business owner, resident and/or property owner

The City of London and County of Middlesex will be rehabilitating the Kilworth bridge to repair deck drains and girders. During construction, travel across the bridge will be reduced to a single lane of alternating traffic to provide safe space to complete the work. This letter provides information about the project.

Project Location:

The map below shows the project limits for the work occurring on the Kilworth Bridge.

Construction Work to be Completed:

- Repairs to the bridge deck drains and girders.
- Install and maintain wildlife exclusionary measures on the bridge and along the riverbanks during construction.

Anticipated Project Timeline:

The bridge rehabilitation is expected to take approximately 8 weeks from the start of construction. The anticipated construction schedule is listed below:

- Installation of wildlife exclusionary measures: March 1st, 2023
- Construction starts: April 1st, 2023
- Construction ends: June 2023

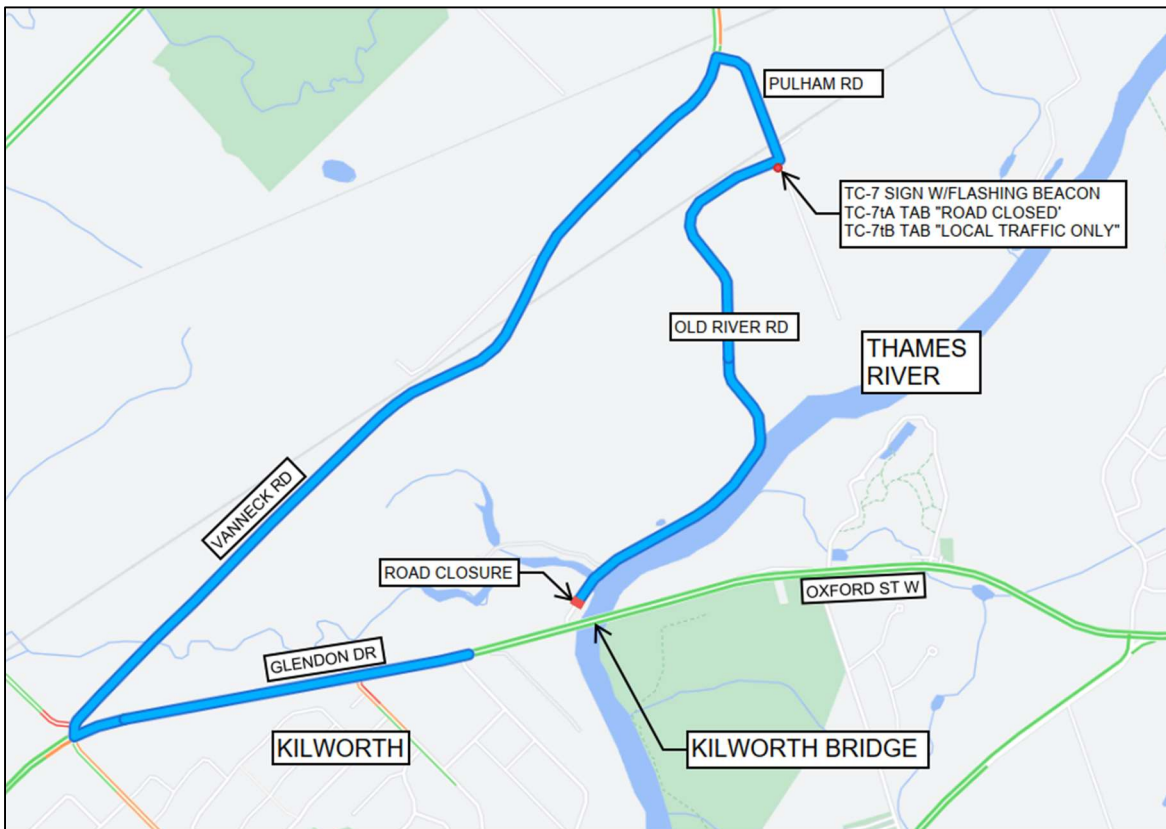

Transportation Impacts:

The bridge will be open to all motorists and cyclists in both directions. Travel across the bridge will be limited to a single lane of alternating traffic controlled by temporary traffic signals. Motorists should be prepared for some traffic delays.

Old River Road will be closed at the Glendon Drive intersection. A detour will be posted.

Detour Plan:

The detour for the closure of Old River Road at Glendon Drive is shown below.

Contact Information:

The City is committed to keeping you informed during the project. Please reach out to your City Project Manager at any time.
